Tree stump snare drum

Create your own woodland drum!

Find a tree stump and tap out a beat using two sturdy sticks.

Try different sizes and shapes of stumps, and hollow and mossy logs.

Can you hear a difference in the drumbeat?

Tree stump snare drum

Decorate your drumsticks! Paint them bright colours, or add patterns to them.

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
