

### Conker maths

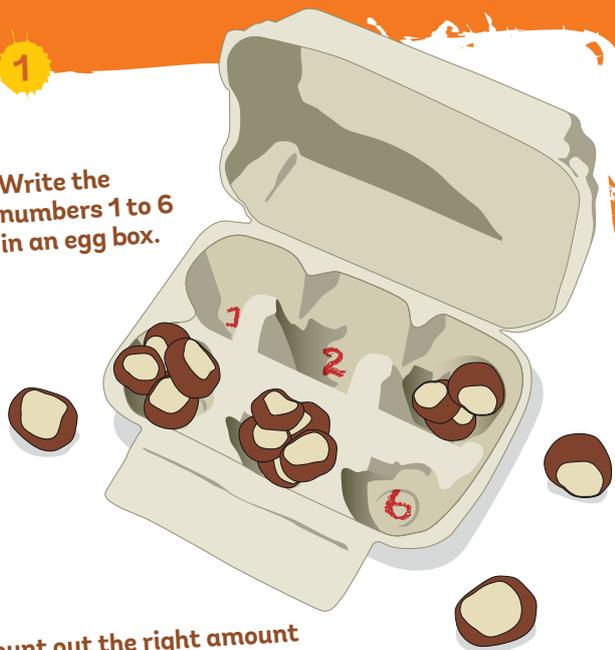

A fun way to practise counting, sorting and weighing.

# Conker maths

Autumn is conker season!  
Use them in these fun maths challenges.

1

Write the numbers 1 to 6 in an egg box.

Count out the right amount of conkers for each section. How many are there in total?

Answer

Go bonkers for conkers!

2

Order your conkers from small to large. How much do your smallest and biggest conkers weigh?

Smallest: \_\_\_\_\_ grams

Biggest: \_\_\_\_\_ grams

3

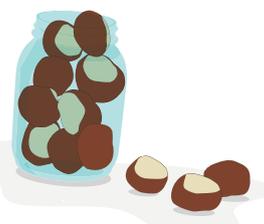

What shape is a conker?

Answer

4

How many conkers can you fit in a jam jar?

Answer

5

Make a circle. How many conkers did you use?

Answer

Answers: 1. 21 3. c

Conkers grow in green spiky cases. Look for them underneath horse chestnut trees in autumn.
