

Be a real Nature Detective
How many fruits and seeds can you ID?

Fruits and seeds iDial

Bottom piece

Cut around the dotted lines, then push a split pin through the centre to attach the top piece to the bottom piece.

Some fruits and seeds are used to make different food and drinks. Do you know which?

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!

can you ID?

Fruits and seeds iDial

Top piece

Top tips for top spotters!

Ripe blackberries can be
picked to make a super
smoothie milkshake!

Mmmm!

Fab facts!

When ash seeds fall to the ground,
they spin like a helicopter blade!

Lots of animals and birds eat sloes, including
hawfinches, thrushes, badgers and foxes.

Cut around the dotted lines,
then push a split pin through
the centre to attach the top
piece to the bottom piece.

Some fruits and seeds are used to make different food and drinks. Do you know which?
